EU EXIT:
GUIDE FOR EXPORTERS

BE PREPARED FOR THE EU EXIT
CHECK, CHANGE, GO

The UK has left the EU and new rules for business with the EU start in January 2021. The transition period will end on 31 December 2020.

Your business will need to make a number of changes to ensure a continued flow of people, data, goods and services between the UK and the EU. Act now to prepare for the end of the transition period.

Less than one month away.
CHECK, CHANGE, GO

Certain rules and processes for exporting services and goods to the EU will change from the 1st January 2021.

Some of the actions you should consider taking now are:

✓ Attend live or watch a recorded sector specific webinar about the new rules and actions to take.
✓ Check how to declare goods from 1 January 2021, whether your business will do it or whether you will get someone else to do it.
✓ Check if the EU business you’re exporting to is ready.
✓ Check the new rules for your type of goods: which export licences are needed, what marking, labelling and marketing standards you must follow and changes to exporting excise goods.
✓ Check if you are eligible for the Customs Grant Scheme, which provides funding for certain businesses who have costs from recruitment, employee training and IT, in preparation for additional customs declarations ahead of the new rules.
✓ Get an EORI number that starts with GB.
✓ Check out if you can charge VAT at 0%.
✓ Check if there is any sector specific guidance.
